1	AssignedID	Date	Time	Session	Abstract Title	Topic	Presenting Author
2	POD01	2026-04-17	8:00 AM	Podium Session A	Using a Novel Approach to Evaluate the Population-Level Burden of Disability Among Working-Age Individuals with Rheumatoid Arthritis	Health Economics Health Services Research Rheumatoid Arthritis	Jessica Widdifield
3	POD02	2026-04-17	8:00 AM	Podium Session A	Feasibility Study to Implement Quality Indicator Toolkits for Rehabilitation After Total Hip and Knee Replacement: Patient and Clinician Toolkit User Metrics	Health Services Research Osteoarthritis Choosing Wisely and Quality Improvement	Marie Westby
4	POD03	2026-04-17	8:00 AM	Podium Session A	Lupus Double-Negative B Cells Harbor Expanded Somatic Mutations in Lymphoma-Relevant Pathways	Basic Science Genetics SLE / Anti-Phospholipid Syndrome	Yumika Shiba
5	POD04	2026-04-17	8:00 AM	Podium Session A	Distinct Fever Resolution Trajectories and Phenotypic Clustering in PFAPA and Surf: A Survival and Dimensional Analysis	Autoinflammatory Diseases	Yulia Vyzhga
6	POD05	2026-04-17	8:00 AM	Podium Session A	Characterizing Memory T Cells Associated with Systemic Lupus Erythematosus Pathogenesis	Basic Science Immunology SLE / Anti-Phospholipid Syndrome	Carol Nassar
7	POD06	2026-04-17	8:00 AM	Podium Session A	Sialic Acid-Binding Ig-Like Lectin 1: A Serological Biomarker for Pulmonary Involvement in Idiopathic Inflammatory Myopathies	Clinical Research Myositis Autoinflammatory Diseases	Nathan Barreth
8	POD07	2026-04-17	8:00 AM	Podium Session A	Citrullination of Neutrophil Serine Proteases Enhances Proteolytic Activity, Stability and Autoantigenicity in Rheumatoid Arthritis	Basic Science Rheumatoid Arthritis	Liam O'Neil
9	POD08	2026-04-18	8:00 AM	Podium Session B	Perimenopause is Associated with Increased Disease Activity in Psoriatic Arthritis	Psoriatic Arthritis	Lih Eder
10	POD09	2026-04-18	8:00 AM	Podium Session B	Increased Risk of Intrahepatic Cholestasis of Pregnancy in Women with Systemic Lupus Erythematosus Exposed to Azathioprine	Clinical Research Epidemiology SLE / Anti-Phospholipid Syndrome	Reem Farhat
